

DWL Covid-19 Questionnaire

The safety of our employees, facilitators, customers, families and visitors remain DWL's overriding priority. As the coronavirus disease (COVID-19) outbreak continues to evolve and spreads globally, DWL is monitoring the situation closely and will periodically update company guidance based on current recommendations from the government and the World Health Organisation. Only pre-authorized visitors are permitted on-site at this time and those whose children whose parents have received confirmation of their place. To prevent the spread of COVID-19 and reduce the potential risk of exposure to our staff and campers, we are conducting a simple screening questionnaire. **This questionnaire must be printed out, completed in full and handed into the Branch Manager or Teacher on your first class.** Your participation is important to help us take precautionary measures to protect you and everyone in this building. Thank you for your time.
